Invest in Your Health and Financial Well-Being

A health savings account (HSA) is a personal savings account designed to cover certain healthcare costs for people covered under a high deductible health plan. With an HSA, you can save, invest, and spend your healthcare dollars in a way that best suits you.

It's not too late to open an HSA and take advantage of our competitive **1.50%** APY* rate.

* APY = Annual Percentage Yield. All dividend rates and APY may change at any time. See the rate table online for details.

GLCU Helps Families Facing Food Insecurity

Food insecurity is a problem many local families face. Fortunately, COOL Ministries Food Bank in Waukegan provides food for more than 6,000 people every month, giving them food based on their family size. GLCU employees proudly support COOL Ministries' mission and volunteered more than 110 hours distributing food in 2023. In addition, GLCU partnered with the Elan Charitable Giving program to award the food bank a \$12,500 donation in support of the meaningful work it does. If you or someone you know is interested in utilizing COOL Ministries Food Bank resources, visit its [website](#) for more information.

Celebrating Black History Month

At GLCU, we are proud to celebrate Black History Month in our communities. GLCU is a bronze sponsor of Bolingbrook's annual Black History Awareness event on February 10, where GLCU employees will be on-site. Additionally, the GLCU Foundation for Financial Empowerment will be partnering with United Way of Lake County, reading stories for Black History Month at a local Waukegan elementary school.

Where We'll Be Volunteering

GLCU employees are hard at work in local communities. Here are photos of just a few of the places we're volunteering in February.
